

Depot Street Park Greenfield, IN

May 2022

WBV4839CUS - #3596

Greenfield, IN is home to this impressive, custom Wood Barrel Vault shelter. The multi-tiered structure is enhanced with its factory applied contrasting stain on the wood rafters and T&G roof decking, extra tall column height, Jet Black powder coated columns, curved wood rafter design and a Copper Penny metal roof. The striking shelter is beautiful from every angle!
