

Winfield Pavilion Columbia County, GA

April 2022

RHS2020-2T - #3663

Columbia County, GA constructed the Winfield Pavilion as a prototype Community WiFi Pavilion to provide WiFi to a rural area of the county. Featuring charging stations, a ceiling fan, safety lighting, picnic tables and a 2-tier design, the pavilion is the perfect spot to complete WiFi necessary tasks. This striking pavilion is seen as an opportunity to provide readily available WiFi to the county's underserved areas. Cool design, cool service!

Building Features:

- Round columns with custom column bands*
- 20' x 20' 2-tier hip shelter design*
- 4:12 roof pitch
- Electrical access cutouts for ceiling fan & receptacles*
- Ceiling fan by others
- Install date: Fall 2021

* Optional upgrades included in design
