

Town of Frederick Lakewood, CO

September 2022

ROGS 2434-2T - #3760

The Town of Frederick project, located in Lakewood, CO, is a wonderful 24' x 34' two-tiered structure. The roof features an 8' eave and contains gable ornamentation. The Medium Bronze colored two-tiered roof creates a striking contrast with the Silk Grey powder coated posts. This shelter will be a great community gathering spot for many years to come!
